

SNOW & SAFETY DAYS

Dates 2021

Each Monday and Tuesday: 11.-12. January / 18.-19. January / 25.-26. January / 1.-2. February / 8.-9. February

SAFETY ABC / FREERIDE MONDAY

Spend the whole day with a mountain guide from Engelberg. You will spend the first half of the day training at the Avalanche Training Center, learning how to carry out a search with an avalanche transceiver, probe and shovel. In the afternoon, it's time to hit the powder, with further onsite training.

Time: 9.00 a.m. - 4.00 p.m.

Meeting Point: 9.00 a.m., GO-IN Sportshop Engelberg, Dorfstrasse 39, 6390 Engelberg

Requirements: Safe skiing on black slope. Physical fitness: normal endurance.

Equipment: Ski pass, complete ski-touring or free-riding equipment (avalanche transceiver, probe, shovel, Airbag Backpack recommended). Available for rent at the mountain guide office or at local sport stores.

SKITOURING TUESDAY

Leisurely ski tour in Engelberg. The experienced mountain guide will introduce you to the ski touring secrets (handling of skis, skins, and binding). The route depends on the current situation and is determined at short notice.

Time: 8.30 a.m. - 4.00 p.m.

Meeting Point: 8.30 a.m., by arrangement on Monday

Requirements: Safe skiing on black slope. Physical fitness: normal endurance.

Equipment: Ski pass, complete ski-touring equipment (avalanche transceiver, probe, shovel, skin, airbag backpack recommended). Available for rent at the mountain guide office or at local sport stores.

Registration: online on www.engelberg.ch/en/safety

Registration only possible for both days. Single days are not bookable.

Costs: CHF 89.- with Guest card | Without Guest card: CHF 340.-

Number of participants is limited
